

Advice Interactive Group Makes the 2012 Inc. 500 List of Fastest-Growing Private Companies

Dallas SEO Company, Advice Interactive Group is named one of the fastest growing advertising and marketing companies in America

Starting a business from scratch is both scary and exciting, and being named one of the fastest growing private companies in America by Inc. Magazine is, not only an honor, but proof positive that we're on the right course to reaching our goals.

DALLAS, TX — Advice Interactive Group is pleased to announce that Inc. 500 magazine has ranked the [Dallas SEO Company](#) number 155 on its 31st annual Inc. 500|5000 list. The list is an exclusive ranking of the nation's fastest-growing private companies and is a comprehensive look at who's who among growing companies.

“Starting a business from scratch is both scary and exciting, and being named one of the fastest growing private companies in America by Inc. Magazine is, not only an honor, but proof positive that we're on the right course to reaching our goals,” says Bernadette Coleman, Executive Director and CEO. Business owners Tom and Bernadette Coleman, Randall Turner and Todd Bryson, founders of the company, work diligently to build a sustainable internet marketing company that gives its clients a solid return on investment for their marketing dollars.

The 2012 Inc. 500 was unveiled in the September issue of Inc. and is available on newsstands through November 15 and on Inc.com. Inc. magazine states this year's awardees are the most competitive group in the list's history. The Dallas Internet marketing company, Advice Interactive Group, ranked high on the overall list and number 21 in the Advertising and Marketing category. Companies must have achieved a staggering minimum of 770% in sales growth to make the cut.

Advice Interactive Group is not resting on its laurels. The marketing company has developed a suite of [local search marketing tools](#) to help businesses see how visible they are online in their local markets. The tools are designed to be used by businesses and other interactive agencies to provide a snapshot of where they stand today and a roadmap to get them where they need to be to compete.
