

Bernadette Coleman Wins Two Silver Stevie® Awards in 2013 Stevie Awards for Women in Business

CEO of Inc. 500 digital marketing company Advice Interactive Group places Silver among leading female entrepreneurs at annual event in New York City

Dallas, TX – Bernadette Coleman, CEO and founder of [Advice Interactive Group](#), has been named the winner of two Silver Stevie® Awards in the 10th annual [Stevie Awards for Women in Business](#). Bernadette was named to the Female Entrepreneur of the Year and Female Executive of the Year categories.

“I’m speechless,” said Coleman upon receiving her awards. “To be named a Silver Stevie Award winner not just once, but twice, affirms the progress Advice Interactive Group is making within the industry. It is truly an honor to be recognized by an organization as prestigious as the Stevies.”

The Stevie Awards for Women in Business are the world’s top honors for female entrepreneurs, executives, employees, and the organizations they run. All individuals and organizations worldwide are eligible to submit nominations – public and private, for-profit and non-profit, large and small. The 2013 awards received entries from 18 nations and territories.

Nicknamed the Stevies for the Greek word for “crowned,” the awards were presented to winners during a sold-out event at the Marriott Marquis Hotel in New York City.

Stevie Award winners were selected by more than 240 executives worldwide who participated in the judging process this year.

Since founding Advice Interactive Group, Bernadette has led the company to become a leading digital innovator in search engine optimization, paid search marketing, and website development. The company has been named to the Inc. 500 list of fastest-growing companies twice, in 2012 and 2013, thanks in part to Bernadette’s executive leadership and vision for the company.

Bernadette also co-founded a non-profit social networking site, [TryMunity](#), after her son suffered a traumatic brain injury. She routinely advocates for brain injury research and legislation, and raises money annually on TryMunity’s behalf. Under her direction, TryMunity is now a popular social site, boasting over 1,200 registered members.
